1200 NTX EA

1200 NTX EA
wet/dry vacuum cleaner

- 1,200 watt high-performance motor
- Automatic switch-on and additional socket for parallel operation of the vacuum cleaner and power tool
- Cyclone principle for high suction power

Order number: 06310301

Technical Data

Nominal rated input	1.200	Watt
Air flow	58	l/sec
Negative pressure	210	mbar
Container volume	30	l
Cable length	5	m
Tool weight	8,4	kg

Product features

- Electrical switch with two settings: 1 = 650 watt, 2 = 1,200 watt (noise minimization for lower suction power)
- Parking system for suction tube
- Blower function for fine particles
- 30 litre container
- Dust bag, fixed to the housing, prevents leakages
- Suction force regulation on handheld tube
- Four-filter system for clean exhaust air
- Two anti-drill connectors for flexible, de-energized hose guidance and different connection variants
- Cable store

Scope of delivery

1 2.5 m suction hose with mains cable clips, 2 0.5 m aluminium suction tubes, 1 adjustable floor nozzle, 1 upholstery nozzle, 1 joint nozzle, 1 all-purpose nozzle, 1 tool adapter, 1 20 litre paper filter, 1 wet filter

Noise/Vibration Information

noise power level L_{wA}	78	dB(A)
uncertainty velue K	3.0	dB(A)

L_{wA} = A-rated sound power level, K = Measurement uncertainty value
Measurement values determined according to **EN 60745.**
